

**Ale Wetlands Initiative**  
**Farm walk at Whitmuir Farm,**  
**(2km south east of Selkirk, just beyond Whitmuir Hall)**  
**Tuesday 27<sup>th</sup> June 2017 (Meet at the farm steading at 7.00pm)**

*Recently created pond at Whitmuir*

As part of the Langhope Rig Windfarm Biodiversity Offset scheme, the Ale Wetlands Initiative has secured a limited amount of funding to create, manage and restore a small number of wetland sites, within the Ale catchment.

To raise awareness of the grant scheme and encourage good quality applications, you are invited to join Farm Manager, Mr Teyl DeBordes, and Tweed Forum staff on a 2hr walk to view and discuss the various conservation measures which have been undertaken at Whitmuir Farm. Wetland creation and management has been a key part of the conservation plan for the farm over the years.....and as Teyl says.....'There is always more that can be done'.

Kind Regards

**Derek Robeson**
